BATTLE BOAT · V-HULL, CLOSED BOW

BATTLE CAT · TWIN PONTOONS, OPEN BOW

Weights are the boat only
Add your motor, battery or fuel, people and gear, and keep the total under the max capacity for your size.

CHOOSING

WHICH SIZE FITS?

8 FT

Seats two

The light tender for smaller yachts and sailboats. The 8 ft Battle Cat is the lightest boat in the fleet at 84 lb.

10 FT

Most popular

The do-it-all tender. Seats four, carries 1,000 lb and takes up to 10 HP.

12 FT

Most room

The most room and the most power: 1,200 lb capacity and up to 20 HP.

BATTLE BOAT OR BATTLE CAT?

Pick the Battle Boat if

- You own a bigger boat and need a tender or shadow boat
- You run crew and supplies ashore
- You want the classic V-hull dinghy feel, with a closed bow

Pick the Battle Cat if

- You fish or dive
- The dog comes too
- You board from the water or a beach: the bow is open between the pontoons
- You want more open deck

WILL IT FIT?

- [ ] **Locker or trunk:** the opening needs to clear the packed size for your boat.
- [ ] **Swim platform:** compare the platform with the inflated size.
- [ ] **Davit or crane:** its rated capacity must cover the boat plus motor and gear.

The same on every boat: Rover Marine Blue, V-Teak flooring, thermal-welded seams, carbon-reinforced handles, one travel bag, rated for electric or gas. Covered by a 5-year hull warranty (3 years on tubes and seams) and the 60-Day Captain's Guarantee. Full terms at rovermarine.com/pages/warranty.
